

# VET Institute of Arts & Science

**NAKSHATRA**

**LUMINARIES' RESIDENCY  
COMFY ZONE AS ONE'S OWN HOME**

---

Boarding facility for Girls is available @ VET-IAS  
Maruthi Nagar Campus, Thindal, Erode

**Mr. S. D. Chandrasekar, B.A.,**  
Secretary

We, in Vellalar Institutions, believe that it is our bounden duty as educators to nurture and develop every student entrusted in our care to burgeon and exhibit their fullest potential. Everyone here is treated as gifted and talented individuals and through careful mentorship and guidance, those talents and gifts are fostered.

Come see the ambience, feel the warmth and allow your wards to enjoy the experience of learning at VET Institute of Arts and Science.

I thank everyone for the continued support rendered towards our excellence and invite every young aspirant with an inquisitive mind to join VET Institute of Arts and Science to experience the thrill of soaring high and even higher. Let's join hands and reach the pinnacle.

The Residential Campus is located in Maruthi Nagar, Thindal, Erode.

### Distance from the Residential Campus to:

Erode Bus Stand: 6.9 Km | Erode Railway Station: 8.8 Km  
Perundurai Bus Stand: 14 Km

**Nearest Landmark:** Thindal Murugan Temple (2Km from the Residential Campus)

## INDOOR GAMES

Indoor games and sports are a variety of structured forms of play or competitive physical activity, typically carried out either in the home or in specially constructed indoor facilities. The residential campus has magnificent auditorium cum indoor stadium to facilitate distinct beneficial activities like Shuttle Badminton, Table Tennis, Chess, Carrom and Archery.

EVERY EFFORT IS TAKEN TO PROVIDE  
A HOMELY AMBIENCE

**Mr. S. LogeshKumar**

B.Sc., MBA., FDP (IIM-A),  
Administrative Officer

I am pleased to extend a warm welcome to the new entrants along with their parents / guardians becoming part of VET IAS family. I congratulate all the freshers for success of their hard work, which has led them to get admission at one of the institutions most sought after.

We recognize that every student has a unique life circumstances and needs: Every activity in the hostel, be it the late-night assignments, projects, studying for tests or partying, hostel cultural competitions and other forms of interactions adds vibrancy to the residential life which increases the potential for learning and so the hostels never sleep.

I wish for your comfortable stay in the campus during your academic programme. I strongly believe that you will experience the best ambience in our Institute for your fruitful journey of life.

## VET IAS

## NAKSHATRA HOSTEL

## BEAUTY PARLOUR

Beauty needs maintenance and care that can be best provided by a professional. In connection with this, a beauty parlour is available in the residential campus to facilitate the skin, hair and nail care.

## OUTDOOR ACTIVITY ZONE

Kabadi, Silambam, Kho-Kho, Athletics, Basketball, Volleyball, Football, Throwball, Swimming, Skating, Karate and Yoga activities within the Residential Campus

facilitates the practice of the game under scheduled coaching, enabling strong and physically fit citizens. The campus is equipped with spacious outdoor play area.

Welcome to our “Luminaries’ Residency – Comfy Zone as One’s Own Home”, where wholeness and balanced behaviour are inculcated in young minds. It is an indispensable part of the institute that offers residential facilities for Girls (Nakshatra), cultivating positivity and responsibility in each individual. Cultivating togetherness, self-reliance and defined discipline in students is our ultimate goal. “We Give The World Succeeders”.

Resident Head (The Principal), Resident Director, Resident Supervisors, Resident Tutors (Faculty-in-Residence), Doctors on Call, Counsellors, Supervisors, 24 × 7 helpers, Housekeeping staff, Chef and many other highly trained staff members are the people behind the living needs of the students in their residential campus.

demonstrations/hands on training are arranged within the residential campus on Saturdays, with the help of the relevant subject experts/professionals.

## COOKERY CLASSES

## HORTICULTURE

## COSTUME DESIGNING & FASHION

## HOUSEKEEPING

## BASIC LAW & HUMAN RIGHTS

## FIRST AID TRAINING

FREE WI-FI

- Wi-Fi (Wireless Fidelity) On Campus is a step towards the future.
- For students, free Wi-Fi ensures quick access to academic information, class schedules and the ability to connect with their peers. Furthermore, smart education techniques can be at the fingertips of anyone and anywhere, which increases digital inclusion.

## SECURITY & OUTDOOR CCTV CAMERA

- Highly protected residential campus
- Student's activities are technically monitored via cameras at critical points
- 24 x 7 guaranteed security personnel
- Strict maintenance of entry/exit records of non-residents/parents/visitors
- Visitor's vehicles are restricted inside the residential campus to ensure the safety of the children

## MOVIE DAY

Time for fun  
Once in week

## ESCORT TRIPS

On escort trips, assigned resident supervisors and tutors accompany students to distinct locations, once in a while.

## FOOD

- Nutritionally balanced and palatable food (vegetarian as well as non - vegetarian) is provided to satisfy all taste buds
- The menu includes a variety of dishes - South Indian, North Indian and Continental diets
- Non-vegetarian cuisine twice a week (Wednesdays and Sundays)
- Eggs thrice a week (Boiled/ Omelette)
- Sprouts, Vegetable Salad, Fruit Salad once in a week
- Milk and Zeera water (Jeeraga Thaneer) twice a day
- Spacious dining hall – designed & defined for fine dining
- Tempting evening snacks
- Respecting all religions and related beliefs, we have separate kitchens to cook vegetarian and non-vegetarian dishes
- Inspection/food testing is done periodically, to ensure the quality and safeness of the food
- Resident Supervisors and Resident Tutors accompany the students during their meal times, encouraging them to have a balanced diet and teaching them table manners. By this way, food wastage is monitored and controlled
- Same food is consumed by the students, members of faculty, staff and visitors (including distinguished dignitaries), thus assuring quality

NOTE: Parents are requested to specify dietary allergy/additional dietary requirements of the student (if any) during the admission. We would be happy to cater accordingly.

## THE KITCHEN

- Spacious, hygienic, modular kitchen with experienced chef
- Advanced automated kitchen equipments
- Well-planned and equipped food servicing counters
- Purified water for cooking and drinking purposes

## FREE LAUNDRY

Full-fledged laundry facilities are available thrice a week, paving way for effective utilization of time

## PHONE TIME

One hour every day is allotted as phone time. Students are supposed to hand over their mobile phones to resident supervisors / tutors after phone time

## VISITORS' HALL

An elegant place where the parents could wait, relax for a while and happily interact with their children

## HEALTH AND MEDICAL CARE

- Campus Doctor visits the residential campus twice a week and is available on call anytime (24 × 7) for medical advice and emergencies. Counselling facility for students is also available
- The institute has tie-up with the nearest renowned multi-specialty hospitals in Erode
- Standby Ambulance available
- Periodical health check-ups and counselling (if needed) facilities are available; to better understand the health status of an individual

NOTE: Parents are requested to mention the medical status and medication with dosage specifications (if taken) during admission. Previous medical reports could also be provided. Medical history of the students will be documented and maintained with high level of confidentiality.

We assure you that your stay with us will  
be an experience worth cherishing
